REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-20 are allowed over the prior art of record because the prior art of record does not teach or fairly suggest the entire combination of elements set forth including second and third extensions coupled to the handle member. For example, Cerniak '151 discloses first, second and third extensions but they are unitary with the member 3. Rader '941 discloses a first extension 5 coupled to the member 1 but members 3 and 4 are unitary therewith.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Emmanuel M Marcelo whose telephone number is 571-272-6949. The examiner can normally be reached on Monday - Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Katherine Matecki can be reached on 571-272-6951. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
